

# Guesthouse of the Max Planck Institute for Infection Biology

## Apartment 7 (46,6 m<sup>2</sup>)

New building, loft incl. terrace

The ensuite apartment has a living room, a fully equipped kitchen and a separate bedroom. The bed in the apartment is 160 cm wide. It cannot be separated in two singlebeds. Radio clock, TV, WLAN (internet) and telephone are available.

### Special feature

The living room is furnished with a table and six chairs and is separated from the bedroom. Therefore it can be used as a meeting room which is then connected to the kitchen and the bathroom.

Cleaning services are performed twice a week (Tuesday and Friday). You will be provided with bedding and towels upon your arrival. For a rental period exceeding 6 nights the additional change of bedding and/or towels can be requested against charges.

Washing machine and tumble dryer are available in the basement. A baby bed and/or additional bed can be provided upon request and against charges.
